County  
INTEGRATED  
COLLABORATIVE

# 2024 Mini Grant Opportunity

The Isanti County Integrated Collaborative is excited to announce the availability of mini-grant funding opportunities for community partners in 2024. As a multi-agency collaborative committed to enhancing the well-being of Isanti County children, adolescents, and their families, we are dedicated to fostering innovative initiatives that address social, emotional, educational, and economic needs within our community.

The primary objective of these mini grants is to empower local organizations to initiate programs and projects that contribute positively to the lives of Isanti County youth and their families. Examples of eligible initiatives include, but are not limited to, the establishment of youth-focused mental health programs, the implementation of activities promoting youth resilience, or projects aimed at reducing truancy rates.

Mini grants will range from a minimum of **\$500 to a maximum of \$3,000**. We invite interested parties to submit their grant applications by **March 29, 2024**. Please note that all awarded funds must be utilized by November 30, 2024, and recipients are required to provide receipts of actual expenses along with a final report.

Successful applicants may be requested to provide additional program details and are expected to submit a program/activity report form to the Integrative Collaborative within 60 days of project completion.

Please be advised that funding is not guaranteed, and applications will be reviewed and approved based on local collaborative priorities and available resources. These funds are considered one-time opportunities and may not be available in the future.

We look forward to receiving your innovative proposals and partnering with you to make a positive impact on the lives of Isanti County residents.

Warm Regards,

*Marjanae McGowan*
